To whom it may concern

My name is Robert Buys and I am the Chief Executive Officer (CEO) Global Jewellery Academy (for People Living with Disabilities) in Lenasia Johannesburg, South Africa.

We are a business serving people with special needs thus we needed an IT company that will understand these needs and service us in a way that will allow for optimal operations. We have been working with Matoto Technologies for the past 5 years, and we have no complaints. Whether it is software, hardware or support and maintenance we know that Matoto Technologies have our best interest at heart.

We would highly recommend their impeccable services to any business, as they are a solutions based company and deliver the most excellent service.

Should you feel the need to contact me on the below.

Kind Regards

Robert Buys

Chief Executive Officer (CEO)
