TO WHOM IT MAY CONCERN

My name is Steven Dube and I am the Financial Manager of **Peu Communication Solutions (Pty) LTD**, based in Johannesburg, South Africa.

We are a Television Production Company currently producing the award winning SABC1 Soapie **Skeem Saam**. We have been working with Matoto Technologies for the past 6 years, and we have no complaints. Matoto has been taking care of all our IT needs, including advice on hardware, sourcing, installation, maintenance, connectivity and back-up solutions. Their ticket system ensures that we are in touch with a technician 24 hours a day and the response time has been nothing but impressive.

In conclusion, I would highly recommend Matoto Technologies and we believe that they will be an extremely positive addition to any organization. If you need any additional information, feel free to contact me at any time.

Regards,

STEVEN DUBE
